

# MAKE EVERY WORKDAY EARTH DAY

[www.ontario.ca/wastereduction](http://www.ontario.ca/wastereduction)

## Is nothing too much to ask?

Have a meeting that generates zero waste. No paper. No disposables. Nothing but productive discussion, logged electronically. All in favour, say 'yes!'

Contact building management if you have questions or concerns regarding waste.

**DID YOU KNOW** almost half the paper from your office printer gets junked the day it's printed.
